What is the nearest local event to you?</p>	<p>Exploring Countries</p> <p>North America is made up of a range of different countries. Could you find out which countries make up North America? Which is the largest country? Which is the smallest country? How many countries are there altogether? There are rather a lot!</p>	<p>Word Scramble</p> <p>This week's homework is nice and easy and focuses on the legendary game 'word scramble'. Look at the words 'NORTH AMERICA' How many words are you able to make from these words? The person with the highest amount of words, will win a prize out of the box!</p>	<p>Drawing the Statue of Liberty</p> <p>Homework this week, is focusing on a very famous landmark in the USA called the 'Statue of Liberty'. Below is a tutorial of how to draw it. Remember to follow the step by step guide and use as much colour as possible, to make your drawing visual.
