

Homework Plan - Hockney Class - 2024

Summer Term 1

Summer Term 1 – Extreme Earth

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
Weather Art Using a media of your choice e.g pen, pencil, pastels, or materials for a collage. Have a go at creating your own weather art. On Youtube, Art Hub has a variety of really fun and engaging examples for you to try!	Sun Rises/Sets Did you know that the sun rises and sets at different times of the day? It is never at exactly the same point of the day. Can you record the times this week, that the sun rises and sets? Try to put your information in a table.	Natural Disasters Timeline Unfortunately, over the years there have been a number of natural disasters that have occurred on Earth. Please research five of these and create a timeline to show these natural disasters.	Tornado Poem One extreme weather that is seen across the World, but fortunately not in the UK, is tornadoes. Could you write a Tornado acrostic poem? Using sentences to describe each of the letters in Tornado!	Earthquake Leaflet Another natural disaster that some countries are subject to is Earthquakes. Have a look at some leaflets of staying safe during an Earthquake. Then have a go at creating your own leaflet, remember to make it visual and appealing to the reader!	Richter Scale Every time an Earthquake happens, it is recorded on something called a Richter Scale, to show how dangerous it is. Can you research the Richter Scale and find out what each number stands for?	Half Term Meal! Over half term, your challenge is to have a go at cooking a meal for your family. This could be helping out a family member or going that extra step further and choosing the dish and cooking it. Send your photos via Class Dojo!

YEAR 6 – To do SATs homework!

YEAR 6 – To do SATs homework!
