

<u>Week</u> <u>Beginning</u>	<u>Task</u>	<u>Due in</u> <u>date</u>
	You may use any resources that you have, including computers, present the work in your own way and have some fun sharing the task with your family!	
8 <sup>th</sup> January	Create a cover page for our topic on volcanoes and earthquakes. It is called Tremors. Use some scrap materials to make a volcano collage. A4 size please.	15 <sup>th</sup> January
15 <sup>th</sup> January 	Draw a map showing where some volcanoes (about 5) are around the world. Can you name them and write one fact about each volcano?	22 <sup>nd</sup> January
22 <sup>nd</sup> January	Paint a picture of an erupting volcano or use pastels, crayons or felt pens.	29 <sup>th</sup> January

29 <sup>th</sup> January	Write an acrostic poem using the letters from the word VOLCANO.	5 <sup>th</sup> February 
5 <sup>th</sup> February 	Design and make a Wordsearch for your friends and family. Use as many words associated with volcanoes that you can find. Take care to spell them correctly though. Bring it into school and we'll try them out.	12 <sup>th</sup> February
<b>NO HOMEWORK</b>	<b>ENJOY YOUR HOLIDAY!</b>	

19 <sup>th</sup> February	Use your science skills to make an exploded volcano.	Nothing to hand in.
19 <sup>th</sup> February 	<b>YOU HAVE TWO WEEKS FOR THIS HOMEWORK.</b> Tsunamis have hit several countries in the last 10 years – write a report about one of these strikes. Present this as a newspaper report.	5 <sup>th</sup> March
5 <sup>th</sup> March 	<b>YOU HAVE TWO WEEKS FOR THIS HOMEWORK</b> What happens if an Earthquake strikes? Present your findings in your own way..... It could be a 3D model, a diagram or an information poster.	19 <sup>th</sup> March
NO HOMEWORK	ENJOY EASTER!
