Autumn terms 1 and 2

Autumn Term 1 – Off with Her Head!

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
<p>What can you find out about Anne’s family and her childhood? Put your findings in a presentation to show the class!</p>	<p>Do you have horrible humour? Write some ‘knock-knock’ or ‘what do you call a...?’ jokes about grisly Tudor facts. Present a jester-style, stand-up performance for your class.</p>	<p>Paint or draw a portrait of someone in your family. What objects or symbols could be included to show the person’s character? Embellish the picture with different materials to add interest and texture.</p>	<p>Find and copy examples of monarchs’ signatures. Can you create a magnificent, Tudor-style moniker of your own?</p>	<p>Design a Tudor snakes and ladders-style board game, with pitfalls and lucky breaks on the way to freedom from the Tower!</p>	<p>Make sketches of Tudor costumes for children and adults, rich and poor. Use websites and books to find out about garments, styles and decorative details.</p>	<p>Find out about your area in Tudor times. Are there any maps, buildings or artefacts from that era? Create a scrapbook or poster of photos, leaflets and any other information you discover!</p>

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
Talk to members of your family to find out what has changed since they were ten years old. What things have changed and what has stayed the same? Is the world a better place now?	Take a look at some old family photographs. Create a timeline for your family showing important events such as births, marriages or house moves.	If you could travel to any period of time, anywhere in the world, where would you go? Make a scrapbook of your chosen time period and explain what you would do while you were there.	Time yourself doing different activities at home. Create a pie chart to show the proportion of time each day you spend eating, sleeping, or at school. Is there any activity you would like to do more or less? What would the pie	Find out some of the most important technological inventions in the last century such as mobile phones, GPS, microwave ovens, MRI scans, video games and the World Wide Web. Can you imagine life without them now?	Draw and label a design for a product of the future. What would it do? How would it make your life easier?	Create portraits of members of your family. Will you draw, paint, or use photography or computer software?
