

Homework Plan – Hockney Class

Summer Terms 1 and 2

Summer Term 1 - ID

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
<p>Gather data on your family and friends at home. Measure and record foot's sizes, height, hand span, arm span, middle digit lengths and distances from wrist to elbow. Display the data in charts and spreadsheets and look for any patterns.</p>	<p>Write a tribute to one (or more) of your family members. Include facts as well as your opinions about them. Read it out to them – or maybe even film it and give it to them as a special gift!</p>	<p>Take fingerprints of your family and friends. Rub the side of a pencil on a piece of paper, and ask them to press their finger onto the pencil marking. Stick clear tape onto their finger then attached the tape to paper which will allow you to examine the finger print patter. What types of fingerprint do they have? Can</p>	<p>Explain to your parents and siblings how you plan to stay safe while online. Create a poster promoting e-safety for display around school, in the local library and on the school website.</p>	<p>Do you have any superstitious beliefs such as walking under ladders, saluting magpies or fearing Friday 13th? Interview your family and friends about their superstitions. Make a list of the most commonly held superstitions and try to discover their origins.</p>	<p>Create a fact file of world records for sporting events that interest you. Which records would you like to break? Consider what kind of training is needed to achieve these goals. Do you think people can be naturally good at sports?</p>

		you see an arch? A loop? A whorl? Label each fingerprint with a name and type.

Summer Terms 1 and 2

Summer Term 2 – Time Traveller

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
<p>Talk to members of your family to find out what has changed since they were ten years old. What things have changed and what has stayed the same? Is the world a better place now?</p>	<p>Take a look at some old family photographs. Create a timeline for your family showing important events such as births, marriages or house moves.</p>	<p>If you could travel to any period of time, anywhere in the world, where would you go? Make a scrapbook of your chosen time period and explain what you would do while you were there.</p>	<p>Time yourself doing different activities at home. Create a pie chart to show the proportion of time each day you spend eating, sleeping, or at school. Is there any activity you would like to do more or less? What would the pie chart of your</p>	<p>Find out some of the most important technological inventions in the last century such as mobile phones, GPS, microwave ovens, MRI scans, video games and the World Wide Web. Can you imagine life without them now? Conduct a survey with</p>	<p>Draw and label a design for a product of the future. What would it do? How would it make your life easier?</p>	<p>Create portraits of members of your family. Will you draw, paint, or use photography or computer software?</p>

			perfect day look like?	family and friends to find out which aspect of technology they would most miss if they had to do without it.
