A big thank you to Rob from "Wicked Weather Watch" for coming into Hockney Class and doing a talk on his Arctic experiences.

Thank you to Mr Harland and his colleagues for visiting the KS1 children on Wednesday, The children were excited to see the Fire Engine.

The Juniors had a great time with the "Mini Marines" learning about "first aid" and the "recovery position".

The children had a great time at Walmore Hill School on Monday watching a Kinetic Theatre production called "Down to Earth".

The School now has a new way of communicating to parents. This is an app called "Our Schools App".

Please see overleaf for further details.

Due to Miss Loomes being at the Gymnastics competition in the afternoon next Thursday 25th January, she will be unable to do dodgeball after school on that day.

PE Kits should remain in school at all times and could you ensure that all items are named.

As we are promoting healthy eating in school, the School Council have spoken to your children about having a healthy snack at playtime. The children are not permitted to bring in crisps and chocolates etc. If the children do not have a suitable snack they will be provided with an oatcake for a cost of 20p. A variety of healthy snacks will be provided, which the school council will sell on a Friday as usual. Many thanks for your support.

However, on a contradictory note, can year 2's please remember it's their turn for cakes.

HAPPY BIRTHDAY!

Lily L—19th January 2018

Dates for your Diary

Monday and Tuesday 22nd/23rd January—Cycle Training for Year 6, please make sure your child brings suitable clothing, helmet etc and their bike is in a road worthy condition.

Wednesday 24th January—KNEX Challenge for Hockney Class.

Thursday 25th January—Year 3 and 4 Gymnastics at St John's on the Hill (a letter was sent out separately to the children taking part).

BUZZARDS

Subject: We have a new school app!

Dear Parents/Carers,

As we endeavour to make our communication with you easier, quicker and more efficient, I am pleased to inform you that we have introduced a new app service to the school.

OurSchoolsApp is a personalised app for our school and will allow us to keep you all updated with school information, news, calendar events and contact information. It provides you with access to what's going on at the school at the touch of a button.

If you have a smartphone (Android or iPhone) you can download OurSchoolsApp from Google Play Android or the Apple Store for FREE. Access is also available on a tablet and iPad by following the same download process.

When we update OurSchoolsApp with new information or news about the school, a push message notification will automatically be sent to your device to inform you of this update. You can then view the notification which will then take you directly to our app.

Instructions for download:

1. Using your device (iPad, iPhone, smart pad, tablet or android phone), visit the relevant marketplace for your product (Apple Store or Google Play).
2. Search for 'OurSchoolsApp' and download the app.
3. Once downloaded, us the search bar within the app and enter the postcode or the name of the school.
4. Hit the search button.
5. Once you see the school name displayed, just touch the screen on the school name.
6. Confirm your choice by pressing 'OK'.
7. You will now be presented with the correct app for your chosen school which contains news, information, calendar events, contacts and any other relevant details.
