Dear Parents,

Last term we sent a letter to all families requesting feedback regarding the need for an after school club at Pillowell School. We had a very limited response but I appreciate it was the end of the school year and the new term may bring additional requirements for this provision. Before we make a final decision we would like to receive responses from all families at Pillowell School and ask you to complete the questionnaire below, regardless of your needs. This will enable us to have a complete picture of the requirements of our parents and children and assess the viability of an after school club at Pillowell School.

Please complete the questionnaire below and return to the school office by Friday 28th September. Thank you for your support.

Brett Stevenson, Head Teacher

- Extend your working hours
- Return to, or start training
- Return to or start work
- Other (please specify)

Comments

Please tell us about your after school childcare needs:

3.

**After School Club
(Approximate cost would be £4.25 until 4:30pm and £7.25 until 5:30pm)**

- I would not need an after school club (please move to question 5)

- I might use a new after-school club but I would like to evaluate a new provision first and understand how it may work for me. I am therefore interested but not decided yet

I would use a new after-school club on these days:

- Monday Tuesday Wednesday Thursday Friday

- I might use a new after-school club occasionally

Number of children who would attend Age(s) of child(ren)
.....

I would need an after-school club to run until: 4:30pm 5:30pm

Children may want to attend their existing school-based activities (football, choir, etc.) and then go into the after-school club. Please note that the after-school childcare club will probably still need to charge you the full cost of the session when this happens, because the necessary staffing levels must be maintained at all times.
