20th October 2017

Dear Parents

### **Federation Proposal**

As you know Walmore Hill School shares its Headteacher with Blakeney and Pillowwell Federation in a collaboration that has created great opportunities for children and staff.

The Governors of both Walmore Hill and Blakeney and Pillowwell Federation feel the time is now right to make this a formal arrangement and that Walmore Hill should join the Federation. Before this happens there will be a wide ranging consultation process involving parents, carers, Local Authorities and other interested parties and it is important your views are considered. More information will be made available over the next few weeks.

Yours sincerely

Stephen McMillan

Chair of Blakeney and Pillowwell Community Schools Federation

John Henry

Chair of Walmore Hill School Governors
