5th January 2018

Dear Parents,

As part of our Science topic of Living Things and Their Habitats this term I am planning to take the children into the woods near the school to look for evidence of living things and their nests, burrows etc. on Friday mornings.

In order to take the children off the school premises I will need at least one extra adult to accompany us. If you are able to help on any Friday morning this term could you please indicate if you are available on the attached form and permission slip. I will then draw up a list of dates for forest visits so that you can send your child in with appropriate footwear and clothes on those days.

If there are no offers of help then I will be unable to take the children off the school site.

Yours sincerely,

D.Wildin

Child's name _____

I give permission for my child to take part in Forest visits as part of their science topic Yes/No

Signed _____ Date _____

I am able to accompany the children on (please circle as appropriate)
