9th November 2018

Dear Parents,

For many years, families at Pillowell School has supported Operation Christmas Child to send shoeboxes full of gifts for children who do not receive gifts at Christmas time. This year we are again offering families the opportunity to support this charity. What is different this year is that there is a choice to how you may be involved.

One way is to fill a shoebox of gifts, using the envelope from OCC to advise you about the contents.

Alternatively, you may wish to donate gifts to be placed into other shoeboxes. We have been advised by the Lydney collection point that there is a shortage of items such as toothbrushes, toothpaste and soap. Other items are also needed.

Finally, money is needed to support the packing and transporting of the boxes and so there will be a donation box for those who wish to contribute.

Envelopes will be available from the office for those who wish to make a shoebox.

Many thanks,

Yours sincerely,

Nicki Allen
