17<sup>th</sup> April 2018

Dear Parents,

## Swimming for Riley and Lowry Classes

As you know, this was the first week of swimming lessons for your child this year. Normally this series of lessons would last for the whole of the term, until we break up for the summer holidays.

However, following advice from the swimming pool instructors, we need to adjust the lessons, as there are an unusual amount of non swimmers in the group. They can normally cater for a certain amount, but due to the restriction of the size of the pool, they simply cannot accommodate.

Therefore we will change the schedule, and the children will swim alternate weeks. We will operate this system through to the end of the Christmas term. This will mean that if you have already paid for both terms, then you need not have to pay for the Autumn term. The children will swim 6 or 7 seven times this term, and 6 or 7 times up until December.

Next week (24<sup>th</sup> April) only the Year 1 and Year 2 will swim. The following week it will be the turn of the Reception children. They will then take it in turns.

I appreciate that this may be a short notice change, but in the interests of the safety of the children, I have no other practical alternative.

If you have any questions, please do not hesitate to contact myself or your child's teacher.

Thank you for your support.

Yours sincerely,

Brett Stevenson  
Headteacher
