Dear Parents,

We are organising a three day/two night residential course at Llangorse Educational Activity Centre in Llangorse, Nr. Brecon from 22nd September- 24th September 2021.

Llangorse is a residential activity centre that offers a rewarding educational programme combined with exciting outdoor and indoor activities together with secure and controlled residential accommodation.

Residential courses organised by the school are an optional, but invaluable part of the National Curriculum. Pupils benefit enormously from the experience, both educationally and socially, and I feel certain that the course we have chosen this year will prove to be both enjoyable and very worthwhile.

We are offering this opportunity to the pupils in years 5 & 6. The cost of the visit is £175.00 per child and includes return travel by coach, full board accommodation and a full programme of activities. To confirm our booking, an initial non-refundable deposit of £20 per pupil, together with the completed reply slip below, will be required to be returned to the school by Friday 14th May.

We are aware that we are holding on account monies for some of you due to the residential trips not going ahead last year. If you would like your child to take part, please return the permission slip or contact the office letting them know your child would like a space.
