Pillowell After School Club – Survey

Updated link – see below

Dear Parents,

First of all, I hope you are well.

Things are returning to some sort of normality in and around our schools, and I would like to 'revisit' the idea of an afterschool club, for Pillowell pupils. Over the years many of you have expressed a wish for reliable after school care, due to your own work commitments or studying, which has meant that being at school to collect your child at the end of the day poses some difficulties.

When we look at the possibility of providing some after school child care, we have to consider a provision that is financially viable.

I have created a survey for those of you that are interested in using something that our setting provides. If you click the link below, it will take you to a series of questions that will inform us whether there is sustainable demand for an after school club.

I'd like to collect all of the answers by Wednesday 7th July.

If you have any questions, please feel free to contact me directly.

Many thanks for your support.

Brett
