Headteacher: Brett Stevenson

Dear Parents,

First of all I hope you are all well, and continue to be so.

Thank you for your continued support over the last 7 weeks. It certainly has been an extremely difficult time for everyone. I have asked staff to 'check in' yourselves and your children, I hope this hasn't been too intrusive. I also understand some staff have left messages for you. Don't forget that you can contact your child's teacher on one their email address, which you have already been using.

You may have heard that the Government has asked if all schools could plan to re-open for the children in Reception, Year One and Year Six by June 1st, at the earliest. We are busy planning for this, but this date depends on us meeting all of the conditions that the Government set. Hopefully we will be in a position to open the school for the majority of the week, but this will rely on whether we feel it is safe for everyone, including staff, to do so.

In order to plan for this different provision it would be useful if you could take part in a quick survey (see link below) which will then inform us regarding staffing and space, and ultimately, Health and Safety. I will share this draft planning with you by Monday 25th May.

I know that this is a very challenging time indeed, and will continue to be so over the coming weeks and months. If I can be of any direct support to you or your child, please do not hesitate to contact me. I have spoken to several children at home, when they have needed reassurance and support. I see that as part of the privilege of being their Headteacher.

Take care.
